STATE INTELLIGENCE SERVICE**

PRESS RELEASE

The State Intelligence Service summarizes the work of 2020 in the Third Public Report

Tirana on August 23rd, 2021

The State Intelligence Service of Albania published today, for the third consecutive year, its Annual Report.

The publication of the Annual Report has already become a tradition, and it presents to the public a summary of some of the most important activities of SHISH, during 2020, in the function of national security, even under the conditions created by the Covid 19 pandemics.

With the publication of the third Annual Report, The State Intelligence Service has already put in the right track and on a sound basis its objective of improving cooperation with the public, the public's right for transparency and information, keeping at the same time the secrecy of its work forms and methods, in compliance with the laws and respect for human rights.

The Director of the State Intelligence Service commends the commitment and performance of all SHISH employees, during this difficult year and highlights the will to deepen and expand the relations of our Service with the media and public opinion.

Public Report 2020 can be fully downloaded in PDF format, in Albanian and English, at the webpage www.shish.gov.al.
